Vancouver, British Columbia, April 12, 2017 (TSX Venture: EMX; NYSE MKT: EMX) – Eurasian Minerals Inc. (the “Company” or “EMX”) is pleased to announce the completion of its previously announced non-brokered private placement financing (the “Private Placement”), raising \$7,000,000 by the issuance of 5,000,000 units (the “Units”) at a price of \$1.40 per Unit (all dollar amounts in CAD). Each Unit was comprised of one common share (a “Share”) and one-half of one non-transferable common share purchase warrant. Each whole warrant (a “Warrant”) entitles the holder to purchase an additional common share (a “Warrant Share”) for \$2.00 until April 12, 2019.

Finders' fees were paid on a portion of the Private Placement. The finders' fees consisted of 246,604 Units (6% of the Units sold to investors introduced by finders) issued to Sprott Global Resource Investments, Ltd. (219,424 Units), Sprott Private Wealth LP (15,000 Units), Haywood Securities Inc. (10,380 Units) and Mackie Research Capital Corporation (1,800 Units). Insiders of the Company purchased 89,230 Units and Pro Group members a further 19,000 Units.

The Shares and Warrant Shares are subject to a resale period under Canadian securities law (and, for Insiders, under TSX Venture Exchange policy) until August 13, 2017. The proceeds of the Private Placement will be used by EMX to support its royalty and prospect generation business initiatives, as well as for general working capital and other corporate purposes.

The securities offered and sold in the private placement have not been, and will not be, registered under the United States Securities Act of 1933, as amended (the “U.S. Securities Act”), or any state securities laws, and may not be offered or sold within the United States or to U.S. Persons (as defined in the U.S. Securities Act) absent registration under the U.S. Securities Act and applicable state securities laws, or an available exemption from such registration requirements.
